

Venita Moore

industry buzz

Having Venita at the studio is always a pleasure. She is talented and a great artist to work with.

Head Engeineer, Jupiter Studios

It has been a pleasure over the years watching Venita Moore grow into the talented young singer she is right now. I watched her from high school all the way up to the woman she's become now. I'm telling you this album is her pure heart and soul and I watched her put all her effort into it. You need to go check that out right now!

Clint Collins,
Studio 618

Venita is an amazing artist. Working with her on our photo shoot was a delight. She has a heart that sizzles and her charisma speaks for her passion for music.

Soulful Sounds, so much class bursting from Venita Moore who has given my radio network some good music. Keep it coming!

Godiva,
Program Director, Street D Radio

Venita is a great new voice and such an awesome, positive, energetic soul that is definately on her way to stardom. She has that voice that will take you to wherever your mind wants to be. Open up your heart and ears to this fresh new face and voice. It was a pleasure to style such a talented young lady!
